Test Case ID: GTC_344F43

Title: Verify login after password reset - Test Case 3

Objective: Verify that the user is prompted to reset the password again if the password reset link has expired

Preconditions: User has required setup

Test Steps:
Reset the password for the user account
Wait for the password reset link to expire
Attempt to login using the expired password reset link
Verify that the user is prompted to reset the password again

Expected Result: User should be prompted to reset the password again if the password reset link has expired

Confidence: 80%
